

13 April 1962

MEMORANDUM FOR: Chief, Technical Plans & Development Staff

SUBJECT:

[REDACTED]

Change Detector

STATINTL

1. Herewith complete package consisting of:
  - a. Firm proposal and costing (Copy No. 15 and one copy not numbered).
  - b. Support for requirement by GIMRADA.
  - c. Preliminary contract requirements.
  - d. Final report of first study.
2. The requirements under c. above were prepared by GIMRADA after they and myself had reviewed the changes necessary in the proposal. These are few and have been covered in the attached Exhibit A (Description of work and/or services).

3. I now recommend that we:

- a. Log the proposal [REDACTED] into NPIC.
- b. Treat it as evaluated by the attached paperwork.
- c. Recommend that we go ahead with this work in the sum of [REDACTED]
- d. Arrange the details of monitoring (one monitor from NPIC to work with [REDACTED] of GIMRADA as the other monitor).
